Dear Mr. Dulles

I wish to pass on to you a thought I've had: Our Cuban neighbors with their close Commie connections may set up a Communication Jamming System, similar to that used in Russia. This situation may have been anticipated, but I wanted to play safe.

This thought came to me while in hospital having my 8th blood transfusion and this is my first opportunity since coming home and am not allowed to use my typewriter yet.

My wife and I are on Florida wing staff of the Civil Air Patrol.

We are mighty proud of our CIA.

Sincerely,  
C. J. MacCartee
